## Upcoming Programs

## Recent & Upcoming Club Activities

The Chocolate Committee had several beautiful baskets and items for the silent auction at the event. With the event being cancelled, we were looking for an alternative way to raise funds and came up with the online auction.

We have raised almost \$500 with the first 2 rounds, and this includes receiving 2 donations. The next round of items goes live tonight. We will continue to auction items in small groups, a few days at a time, until all items have been sold.

The auction site doesn't charge us, PayPal takes 3% if people pay through pay pal, so we are allowing cash/check when dropping off to the winners.

We really need full club support to make these auctions a success. It is so important to share the link to the auction page with your family, friends, co-workers! Like and share our Facebook posts and BID 😊
